Spell	School	Description	Base Magnitude	Casting Range	Active	Casting Time
Anchor/Recall	Mysticism	Cast to place an anchor where you are standing, or to teleport yourself and allies to the location of an anchor you previously set.	1	Self	No	1 Turn
Intervention	Mysticism	Teleport yourself and allies to the nearest sanctuary. Sanctuaries are consecrated spaces such as temples.	1	Self	No	1 Round
Absorb Health	Mysticism	Touch a living creature and steal 1d6 Health, adding the result to your current health (not exceeding your HP maximum).	1d4	Touch	No	1 Turn
Absorb Stamina	Mysticism	Touch a living creature and steal 1d8 Stamina, adding the result to your current stamina (not exceeding your stamina maximum).	1d6	Touch	No	1 Turn
Detect Life	Mysticism	You see shimmering lights in the direction of all living creatures within a radius, even through walls and other barriers. The size of the lights correspond to the size of the creature, but otherwise no information about the creature is gained.	10 ft	Self	Yes	1 Turn
Detect Magic	Mysticism	You see shimmering lights outlining objects and spaces affected by magic that you can already see within range. This spell does not offer any information about the nature of the magic detected.	10 ft	Self	Yes	1 Turn
Detect Object	Mysticism	You see a shimmering light in the direction of a specific object, the appearance of which you are familiar with. This light is visible through all barriers and obstructions, aside from those which are deliberately guarded with the *Dispel Magic* effect.	10 ft	Self	Yes	1 Turn
Dispel Magic	Mysticism	You point at a target you can see within range and end all magic affecting it. This spell cannot be cast if the caster is restrained, or otherwise unable to point at the target.	1	Target	No	1 Turn, or Reaction
Telekinesis	Mysticism	You or a target you can see within range gain the effects of telekinesis. To move an object of significant weight, or a creature of size small or larger, you must succeed a *Str.* check, adding your *Wil.* bonus as well.	10 ft	Target	Yes	1 Turn
Reflection	Mysticism	You or a target you can see within range gain the effects of reflection. 25% of incoming damage is inflicted on the offender instead of the target. If the offender is also under the effect of *Reflection*, these effects cancel out and damage is dealt normally.		Target	No	1 Turn
Spell Absorbtion	Mysticism	You or a target you can see within range gain the effects of spell absorbtion. Spells of casting cost 3 or lower have no effect on the target (unless the target accepts the effects), and the casting cost is added to the target's current casting pool (not exceeding maximum). Spells of greater cost still effect the target, but half of their casting cost is still added to the target's current casting pool.		Target	No	1 Turn
Trap	Mysticism	You or a target you can see within range become trapped. Trapped creatures are not effected by the *Recall*, *Intervention*, or *Banish* spells.		Target	Yes	1 Turn, or Reaction
Blind	Illusion	A target you see within range becomes magically blinded.		Target	No	1 Turn
Calm	Illusion	A target you see within range becomes magically calmed. If they were under the effects of *Frenzy*, that effect is ended. If the creature was hostile, they become neutral towards you and your allies.		Target	No	1 Turn
Chameleon	Illusion	You or a target you see within range becomes partially transluscent, muffled, and deodorized. When under the effects of *Chameleon*, one makes a *Stealth (AGI)* check with a 25% bonus. Boost: +25% bonus *or* +1 targets.		Target	No	1 Turn
Charm	Illusion	A target you see within range becomes charmed by you. If they were hostile, they are no longer hostile. They become pliant and conversational, but they will not do or divulge anything that they think would reasonably cause them harm. This effect ends when you or your allies attack the effected creature. Boost: +1 Minute duration, or +1 targets.		Target	No	1 Turn
Demoralize	Illusion	A target you see within range becomes apathetic and suggestable. The target will not attempt strenuous action for the duration and will not be interested in conversation. The target has a 25% penalty to dismiss suggestions that may harm them, and this effect is not ended when you or your allies attack the effected creature. Boost: +1 Minute duration, or +1 targets.		Target	No	1 Turn
Frenzy	Illusion	A target you see within range becomes frenzied. A frenzied creature cannot distinguish friend from foe, and cannot accurately assess risk or danger. For the duration, the target becomes unresponsive and hostile to all creatures around them, going as far as to attack their surroundings. Boost: +1 Minute duration, or +1 targets.		Target	No	1 Turn
Invisibility	Illusion	You or a target you see within range becomes invisible. You may still be perceived by other means, such as sound or smell, but you cannot be detected through sight. This effect ends when the target performs an action that requires an attack roll, or a *STR* skill check. Boost: +1 Minute duration, or +1 targets.		Target	No	1 Turn
Light	Illusion	You touch an object, causing it to emit a dim light, illuminating a radius of 15 ft. The color of the light is the caster's choice, and the light can be extinguished at will (not requiring an action or reaction). Boost: +15 ft effect radius.		Touch	No	1 Turn
Night Eye	Illusion	You or a target you see within range gains the ability to see in the dark. Complete darkness appears as greyscale dim light, and dim light appears as full-colored bright light. Boost: +15 Min duration, or +1 targets.		Target	No	1 Turn
Rally	Illusion	A target you see within range refocuses their mind. If the are under any of the following effects - *Fear, Charm, Frenzy, Demoralize, Calm* - these effects are ended. Boost: +1 targets.		Target	No	1 Turn
Silence	Illusion	A target you see within range is magically silenced. A silenced creature is unable to produce sound through any means. Boost: +1 Minute duration, or +1 targets.		Target	No	1 Turn
Sound	Illusion	You produce a sound of your choosing originating from a point within range. The audibility of the sound is also the choice of the caster.		Target	Yes	1 Turn
Image	Illusion	You produce a minor image of your chooseing in a space within range that you can see. The image may not exceed 2 feet in any dimension. This image is noncorporeal and dispells when interacted with. This image may be dispelled by the caster at will. Boost: +1 foot maximum dimension size.		Target	Yes	1 Turn
Disguise	Illusion	You or a target you can see within range becomes magically disguised. This disguise may cause the target to appear bigger or smaller, but does not change the physical size of the target. The target gains a +50% bonus to *CHA* skill checks to impersonate another person. Each target may dismiss their disguise at will. Bonus: +1 targets (disguises can be distinct).		Target	No	1 Minute
Fear	Illusion	A target you see with in range becomes afraid of you and your allies. They will take every reasonable measure to distance themselves from you and your allies, and will not attack you or your allies unless they are physically unable to do anything else that would allow them to flee. Boost: +1 Minute duration, or +1 targets.		Target	No	1 Turn
Muffle	Illusion	You cast a pall of silence over an area you can see within range. Sounds in this area are dampened to the point of virtual nondetection. Boost: +1 Minute duration, or +10 ft effect radius, or +30 ft casting range.		Target	No	1 Turn

Spell	School	Description	Base Magnitude	Casting Range	Active	Casting Time
Command	Illusion	You utter a command (5 words or less) at a target you see within range. You must not be silenced, and the target must be able to hear you. The target must take all reasonable measures to comply with this command. If the command would cause harm to the target, the may make a *WIL* check against the casters *Illusion* skill. On a fail, they comply. On a success, the spell ends.		Target	No	1 Turn
Burden	Alteration	Add 2 points of encumbrance to a target you can touch. Boost: +2 encubrance penalty.		Touch	No	1 Turn
Paralyze	Alteration	A target you can touch becomes paralyzed, falling prone for the duration of the spell. Boost: +1 Minute duration.		Touch	No	1 Turn
Petrify	Alteration	Hostile creatures that can see you must make a *WIL* check against the caster's *Alteration* skill. On a success, nothing happens. On a failure, the creature freezes in place, turning to stone. The *Petrification* effect is indefinite, and must be cured with restoration magic, dispelled, or altered by the *Transmutation* spell. Alternatively, the petrification can be ended at will by the caster, but does not dispel if the caster is killed. Though the creature appears as a statue, they can still be detected by the *Detect Life* spell.		Target	No	1 Turn
Elemental Shield	Alteration	You or a target you can see in range gains a temporary shield against incoming elemental damage of the caster's choice (fire, cold, lightning). When a shielded individual received damage from the chosen element, they have a 25% chance to instead take no damage. Boost: +25% chance to negate damage, or +1 targets.		Target	No	1 Turn
Jump	Alteration	You or a target you see within range gains the ability to jump great heights or across great distances, equal to half your regular movement speed (rounded up). Boost: +5 Minutes duration, or +1 targets.		Target	No	1 Turn
Levitate	Alteration	You or a target you see within range gains the ability to levitate, allowing them to move through the air using their regular movement speed. Boost: +5 Minutes duration, or +1 targets.		Target	Yes	1 Turn
Unhinging	Alteration	You magically disable mundane locks on a door or container you can touch. The casting cost of this spell is equal to the quality of the lock you are attempting to bypass.		Touch	No	1 Turn
Shield	Alteration	A magical shield protects you or a target you can see in range. This shield grants attackers (physical and magical) a 10% penalty on attacks made against the shielded individual. Boost: +10% shield bonus, or +1 targets.		Target	No	1 Turn
Slowfall	Alteration	You or a target you see within range descends at a slow, nonlethal pace, equal to 30 ft/round. This effect dispels once the target makes contact with a solid surface. Boost: +1 targets.		Target	No	1 Turn
Swiftswim	Alteration	You or a target you see within range gains the ability to swim through water as though they were a fish. The target gains a swimming speed equal to double their regular movement speed, and need not make *Swimming (END)* checks against strong currents and waves. Boost: +15 Minutes duration, or +1 targets.		Target	No	1 Turn
Water Breathing	Alteration	You or a target you see within range gains the ability to breath while underwater. This does not permit the target to breath in any other liquid. Boost: +15 Minutes duration, or +1 targets.		Target	No	1 Turn
Water Walking	Alteration	You or a target you see within range gains the ability to walk across the surface of water (or other liquid). For the duration of the spell, the target cannot sink in liquids, and if submerged (ex. by a large wave), they will shoot back up to the surface, unharmed. Boost: +5 Minutes duration, or +1 targets.		Target	No	1 Turn
Feather	Alteration	Remove 2 points of encumbrance to a target you can touch. Boost: -2 encubrance penalty.		Touch	No	1 Turn
Transmute	Alteration	You change a nonliving object's physical properties. Uses could include removing impurities from a gem improving its value, causing water to boil suddenly (or instead causing it to freeze), or magically fortifying a weapon.		Touch	No	1 Turn
Equilibrium	Alteration	You balance your vital essences. Transfer HP or Magica (whichever is higher) to your Magica pool or HP pool (whichever is lower) until the two are equal, or a maximum is reached.		Self	No	1 Turn
Lock	Alteration	You magically seal a door or container. The seal has a durability of 5x casting cost, and opponents must succeed an attack roll with a penalty equal to the caster's *WIL* attribute bonus to damage the seal. This seal can be broken by a *Dispel* of equal rank.		Touch	No	1 Round
Heal Wounds	Restoration	You or a target you see within range regains 1d8 HP (not exceeding max). Boost: +1d8 HP.		Target	No	1 Turn
Cure Disease	Restoration	On touch, cure one common disease afflicting target. Boost: +1 disease cured.		Touch	No	1 Minute
Antidote	Restoration	On touch, cure one poison effecting the target. Boost: +1 poison cured.		Touch	No	1 Turn
Fortify Attribute	Restoration	You or a target you see within range gains points to add to a single attribute score. After 24 hours, this attribute score returns to normal. Boost: +1d6 HP.		Target	No	1 Turn
Fortify Health	Restoration	You or a target you see within range gains +1d6 temporary HP. After being expended, this HP cannot be restored. Boost: +1d6 HP.		Target	No	1 Turn
Fortify Stamina	Restoration	You or a target you see within range gains +1d6 temporary stamina. After being expended, this stamina cannot be restored. Boost: +1d6 stamina.		Target	No	1 Turn
Fortify Magica	Restoration	You or a target you see within range gains +1d6 temporary magica. After being expended, this magica cannot be restored. Boost: +1d6 Magica.		Target	No	1 Turn
Resist Disease	Restoration	You or a target you see within range gains +50 on checks to resist disease. Boost: +1 targets.		Target	No	1 Turn
Resist Element	Restoration	You or a target you see within range gains resistance to elemental damage of a type chosen by the caster (fire, cold, lightning). When you take damage from the chosen element, you instead take 50% damage. Boost: +1 targets.		Target	No	1 Turn
Resist Paralysis	Restoration	You or a target you see within range gains +50 on checks to resist paralysis and petrification. Boost: +1 targets.		Target	No	1 Turn
Panacea	Restoration	On touch, cure all diseases, poisons, and other status effects, including *Petrify*.		Touch	No	1 Round

Spell	School	Description	Base Magnitude	Casting Range	Active	Casting Time
Restore Attribute	Restoration	You or a target you see within range regains 1 Attribute Point to a damaged attribute. This effect cannot be used to exceed the target's undamaged attribute score.		Target	No	1 Turn
Respite	Restoration	You or a target you see within range regains 1d8 Stamina (not exceeding max). Boost: +1d8 Stamina.		Target	No	1 Turn
Repel Undead	Restoration	An undead creature within range takes 1d8 damage and must make a *WIL* check against the caster's *Restoration (WIL)* skill. On a fail, they become frigthened of the caster. Boost: +1d8 damage.		Target	No	1 Turn
Stabilize	Restoration	On touch, target becomes stabilized at 0 HP.		Touch	No	1 Turn
Resurrect	Restoration	Revive recently deceased target. If the target has been dead longer than 1 day, this spell fails.		Touch	No	1 Hour
Aura	Restoration	You emit a healing aura with a 15 ft radius. Friendly creatures who enter or begin their turn within this aura regain 1d8 HP. This aura can be boosted to also restore Stamina and Magica. The caster does not benefit from the *Restore Magica* effect of this aura. The aura can be ended at any point by the caster as a free action. Boost: +1d8 HP, or +1d6 Stamina, or +1d4 Magica		Self	Yes	1 Turn
Tether	Restoration	You tether your life force to a target within range. While the tether is maintained, you may transfer up to 10 HP to the target per round as a free action. If you reach 0 HP as a result of the tether, you fall unconscious, but are stable. The tether can be dissolved at any point by the caster as a free action.		Target	No	1 Turn
Hallow	Restoration	You bless the gound around you within a 15 ft radius. Demons, undead, and abominations take 1d8 damage if they begin their turn on this hallowed ground, or when they enter the radius. This radius does not follow you after you leave it, and dissolves after 1 hour. Boost: +15 effect radius, or +1d8 damage.		Self	No	1 Turn
Disintegrate Armor	Desctruction	In a flash of light, your target's armor is dismantled. The target must make a Willpower saving throw. On a failure, one of their AP is expended.	1	Target	No	1 Turn
Disintegrate Weapon	Desctruction	You telekenetically distress your enemy's non-magical weapon. Their weapon is blunted and enfeebled, lowering its damage dice by 1 step. In the case that the weapon's damage dice is a d4, the weapon crumbles to dust.	1	Target	No	1 Turn
Harm	Desctruction	You conjur a narrow ray of agony. On a successful spell attack, opponents struck by this ray suffer 2d4 life force damage. If you knock out an opponent with this spell, they automatically gain an injury.		Target	No	1 Turn
Exhaust	Desctruction	Your magics make your opponents feel unnaturally tired. On a spell attack, you sap your opponents of 2d4 Stamina. If your opponent has 0 Stamina or is brought to 0 Stamina with this spell, they automatically gain a level of exhaustion.		Target	No	1 Turn
Depress	Desctruction	Your force of will flattens your opponent's spirit. On a spell attack, you sap your opponent of 2d4 Magica. If they have 0 Magica or are brought to 0 Magica with this spell, they automatically gain 1 Stress.		Target	No	1 Turn
Flame	Desctruction	Your can materialize a gout rolling flame as though from the mouth of a volcano. This fire burns foes for 2d4 flame damage.	1d8	Target	No	1 Turn
Frost	Desctruction	You can summon a chill from the air itself. Foes struck with this chill suffer 1d6 cold damage, and must succeed on an Endurance saving throw or have their actions per turn reduced by 1.	1d6	Target	No	1 Turn
Lightning	Desctruction	You conjur lighting at will. Opponents struck with the bolt suffer 1d6 lightning damage, and must succeed on an Endurance saving throw or flinch through their next turn.	1d6	Target	No	1 Turn
Poison	Desctruction	You bestow a withering poison on your enemy. It possesses a mixture of qualities and effects of your choosing.	1	Target	No	1 Turn
Elemental Weakness	Desctruction	Your opponents gain a weakness to a chosen element. When they take this kind of damage, they take twice as much.		Target	No	1 Turn
Susceptibility	Desctruction	Your targets receive a susceptibility to poisons and diseases. When making a saving throw or check to resist either of those maladies, they roll with disadvantage.		Target	No	1 Turn
Flash	Desctruction	You emit a bright flash of light that blinds anyone who sees it (Agility saving throw).		Target	No	1 Turn
Concuss	Desctruction	You create a crashing sound so loud it deafens and confuses those who hear it (Endurance saving throw)		Target	No	1 Turn
